

Public

Hearing

Specimen

of the judgment by the Public Hearings

in the case of Everyone versus the Opponent, 21 February 2020

this version and the Dutch version are authentic

Each decision starts with a first page that introduces the two parties and their legal binding in this case.

The second page does begin the procedure report.

(2) What happened preceding this procedure

Each relevant occurrence is mentioned here

(3) The rights which the claiming party executes

Only the rights that are executed or were prohibited to be executed are explained, inclusive the preceding law or contract articles that erect these rights.

(4) The damage causing acts and deeds of the opponent party

Only the actions or deeds that made damage are explained

(5) The defence of the opponent party and the refutes

Each issue for defence is mentioned with its refute together

(6) The enumeration of the damages and the value in money

Only irreparable damage can be compensated by money as the universal medium of exchange

(7) The demanded actions from the opponent party

(8) The agreed solution with the scanned signatures of both

(9) The identifying data of the case and category by the Public Hearings Forums Team
